Sidecar Cafe Racer Brat custom - \$7500 (Idaho Springs)

image 1 of 9

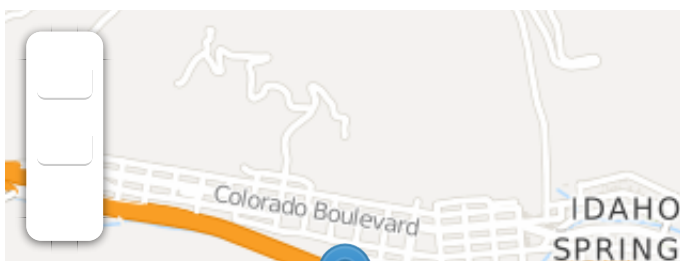

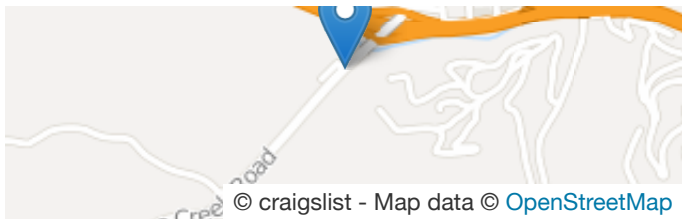

Complete custom sidecar rig. Over \$12k invested.

New tires, paint, upholstery, lights etc.

Runs great. Fun bar hopper. Gets loads of attention. Handles great with rear car tire and sidecar tire from a Euro Mini Cooper. Fast, loud and radical.

Please do not call to negotiate w/o seeing the bike in person with cash in hand. Must have motorcycle endorsement and cash to ride. The bike is in Idaho Springs 30 min west of Denver.
